MEMORANDUM

To: Mr. Percy Ashcraft
County Administrator

From: Nancy Shaffer
Director of Human Resources

Date: October 4, 2017

Re: Position Control Chart

The County has initiated a change within the department of Fire and EMS that requires a modification to the County's Position Control Chart.

The Staffing for Adequate Fire and Emergency Response Grants (SAFER) was created to provide funding directly to fire departments and volunteer firefighter interest organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities.

The County recently received a SAFER grant from FEMA to hire five additional positions in the Operations Division. The positions will operate on 24 hour shifts to reduce response times, and improve the service delivery capabilities by the Fire and EMS department.

Additionally, the County received a second SAFER grant that funds programs aimed towards increasing the number of trained, qualified volunteers in the Fire and EMS response system. A portion of the grant provides funding for the Volunteer Coordinator/Training Officer's positions that has not been funded since 2010. The funding will be provided to the County for four years for the position.

Please place on the Board of Supervisor's agenda the approval of the Position Control Chart. If you have questions or concerns, I am available at your convenience.
