Subject: Work Order #: 3175029

Importance: High

Follow Up Flag: Follow up
Flag Status: Flagged

This is to notify you that a new Work Order Request #3175029 has been created in the Richmond District and assigned to Petersburg Residency for the Asset Type: SIGNS. You have 10 business days from September 19, 2017 to respond and/or update the status. Transfers, if necessary, should occur immediately.

Service Request Number: 810101

Problem Type: Traffic Study Request

Route: SC-1212N (Prince George County)

Street Name:

Location: Pleasant Grove Drive, Disputanta, VA 23842

County/City: Prince George

Latitude: 37.2016794

Longitude: -77.1371553

To (miles): 0.81

From (miles): 0.81

Comments: Entered Address: Pleasant Grove Drive, Disputanta, 23842
Nearest Intersection: Covey Rise Lane
Additional Comments: Pleasant Grove Drive in Disputanta is about 1.8 to 2.0 miles long with only 1 speed limit sign at the entrance and 1 going out of the neighborhood. The speed limit is 25 posted but more signs need to be installed for the length of the road. Speeding by residents is of course a problem, but visitors and contractors are more of a problem with speeding. I believe at least 2 more signs would help with this.
Thanks.

You have 10 business days from August 29, 2017 to respond and/or update the status. Transfers, if necessary, should occur immediately.

Service Request Number: 803326

Problem Type: Traffic Study Request

Route: BYP VA-156N

Street Name:

Location: Ruffin Rd & Sandy Ridge Rd, Hopewell, VA 23860

County/City: Prince George

Latitude: 37.26762

Longitude: -77.24486

To (miles): 3.31

From (miles): 3.31

Comments: Ruffin Rd & Sandy Ridge Rd, Hopewell, VA 23860
there was an accident on last night, citizen would like to resubmit this request.
Request for some type of warning sign or flashing lights on Ruffin Rd. to warn motorists of the upcoming intersection with Sandy Ridge Rd. There have been many accidents there. There is a curve on Ruffin Rd. and cars are going so fast that they are on top of the intersection before they can slow down.
