Prince George County  
Board of Supervisors

Regarding Prince George County Library Parking

Dear Board of Supervisors:

Please find for your review the proposed location for parking signs to be installed in the ten parking spaces along the north side of the Prince George Library parking lot.

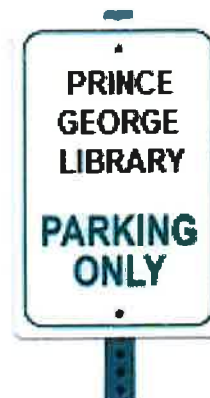

The signage will be industry standard.

We are recommending "Prince George Library Parking Only" signs be placed on the highlighted attachment.

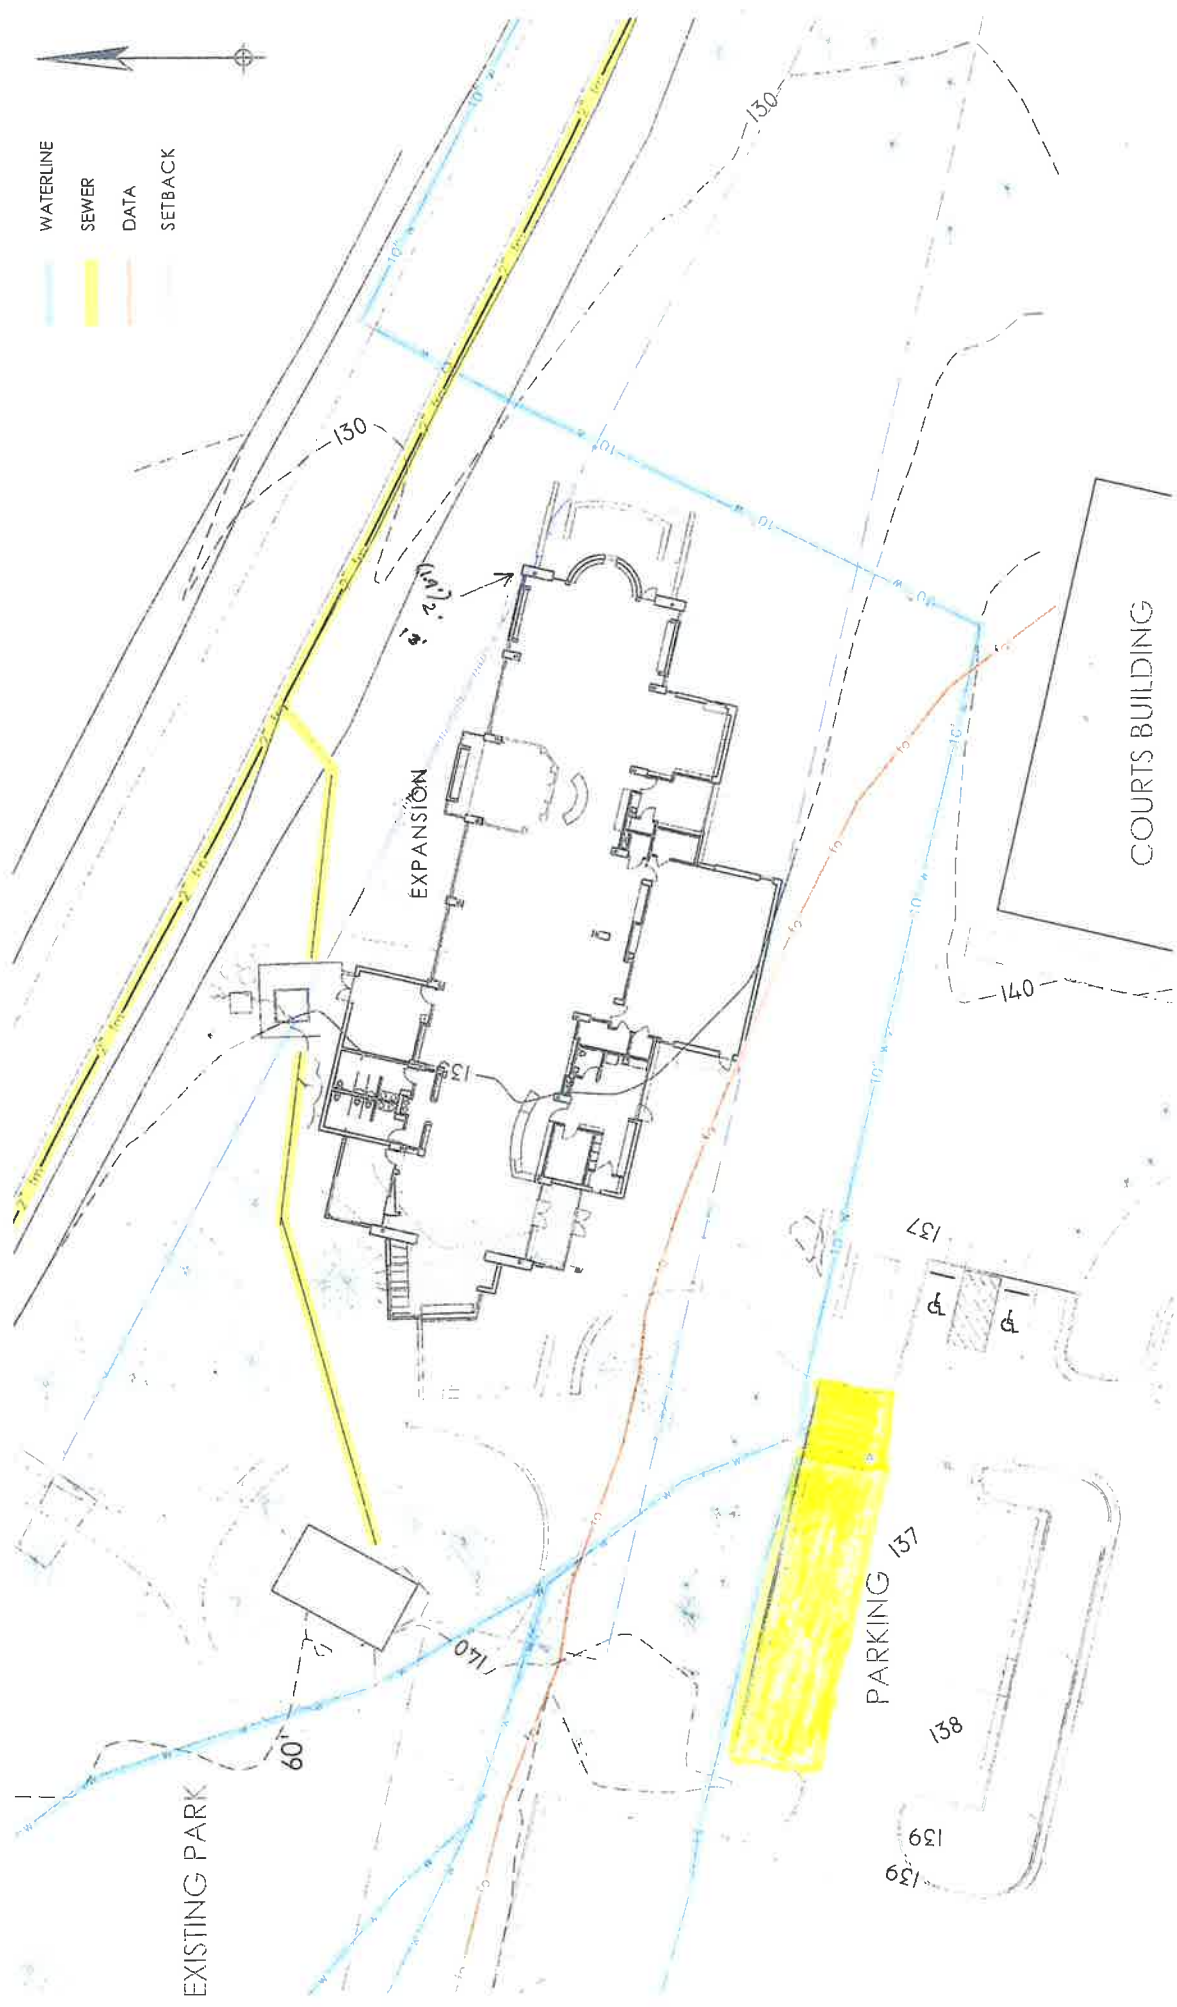

If further information is needed, contact me at your convenience.

Sincerely,

Michael Purvis  
Director of General Services
