

County Administrator's Memo

To: Members of the Board of Supervisors
From: Percy C. Ashcraft
Date: 10/25/2018
Re: Procedures and Protocol

It has been requested that the following procedural items are discussed at the October 29, 2018 BOS Retreat:

1. Who and what determines how and who we recognize at our Board meetings?
2. How to improve communication with the School Board?
3. How do we get better at bringing closure to outstanding previously discussed items?
4. How do we get on the same page regarding the future of Prince George County?
5. How do we get more citizen involvement on strategic direction and use the knowledge and skills of individuals in the county that have that experience?
