AUTHORIZATION TO ADVERTISE A PUBLIC HEARING TO
CONSIDER AN ORDINANCE CLARIFYING THE
RESPONSIBILITIES OF THE COUNTY ADMINISTRATOR

In October 2018 the Board amended the County Code to provide that a separate Clerk to the Board would be appointed by the Board rather than the County Administrator automatically being the Clerk under the Code. During that amendment process the duties of the Clerk were removed from the list of duties of the County Administrator set out in § 2-292. However, in the first sentence, language referencing the County Administrator as Clerk to the Board should have been removed, but was inadvertently left in § 2-292. The recommended revision will remove the reference to the Clerk for the Board from the Code section setting out the duties of the County Administrator. More importantly, the duties of the County Administrator set out in the Code are archaic and not an accurate reflection of the responsibilities currently exercised by the County Administrator. The proposed revision sets out the actual duties performed by the County Administrator.
