

Issue Analysis Form (rev. July 2013)

Date: May 14, 2019
Item: PFC Michael M. Carey roundabout naming
Lead Department(s): County Administration
Contact Person(s): Jeffrey Stoke, Deputy County Administrator

Description and Current Status

On April 3, 2019, during a budget worksession, the Prince George County Board of Supervisors desired to move forward to honor a fallen soldier, PFC Michael Marvin Carey (Marine), with the naming of the roundabout at Route 634 (Allin Road) and Route 106 (Courthouse Road). The County resolution attached is required by the Virginia Department of Transportation to move forward with the request. The resolution includes information about the fallen soldier, information about the road section to be dedicated and promise of County payment for signage per state code. The mother of the fallen soldier, Sandra Rhodes, has been contacted and helped with the information contained in the resolution. Ms. Rhodes has approved of the naming.

If so, before what date?

Per Virginia State Code 33.2-213, ...No name shall be given to any state highway, bridge, interchange, or other transportation facility by the Board unless and until the Board receives from the governing body of the locality within which a portion of the facility to be named is located a resolution of that governing body...

Fiscal Impact Statement

The fiscal impact for the road naming signs in FY2020 may be approximately \$1,836 based on similar road namings in 2018. VDOT will prepare an invoice for the County upon manufacturing and installation of the road signs.

County Impact

If passed, the resolution would go to VDOT for staff review and ultimately to the Virginia CTB for approval. The County would then coordinate an unveiling event with the family and VDOT. Estimated timing of such an event would be the late Summer / early Fall of 2019.

Notes

At the same April 3, 2019 meeting, the County Board approved the naming of the future roundabout at Bull Hill Road and Courthouse Road for TSgt Phillip A. Myers. Staff is working with VDOT on this process.
