**AUTHORIZATION TO SCHEDULE A PUBLIC HEARING TO CONSIDER
APPROVAL TO LEASE A PORTION OF THE CENTRAL WELLNESS
CENTER TO THE HOPEWELL/PRINCE GEORGE FRATERNAL ORDER OF POLICE
LODGE 17**

Representatives of the Hopewell/Prince George Fraternal Order of Police Lodge 17 have approached the County to request that the County lease a portion of the Central Wellness Center to this organization to be used for activities that support local police officers and their families in times of need. The County is not using all of the rooms on the first floor of the Central Wellness Center and the one room (Room 109) to be leased to the organization is not currently needed for general government activities of the County. The draft lease does not provide for a lease payment to the County. (See attached Lease).

In order to lease real estate owned by the County, the Board must hold a public hearing pursuant to § 15.2-1800 of the Code of Virginia, 1950, as amended.

LEASE AGREEMENT FOR USE OF A PORTION OF THE PRINCE GEORGE CENTRAL WELLNESS CENTER BETWEEN THE COUNTY OF PRINCE GEORGE, VIRGINIA AND THE HOPEWELL/PRINCE GEORGE FRATERNAL ORDER OF POLICE LODGE 17

THIS LEASE AGREEMENT (“Lease”) made this ____ day of May, 2019 by and between the **COUNTY OF PRINCE GEORGE, VIRGINIA**, a political subdivision of the Commonwealth of Virginia (“County”) with a business address of 6602 Courts Drive, Prince George, Virginia 23875, and the **HOPEWELL/PRINCE GEORGE FRATERNAL ORDER OF POLICE LODGE 17**, (“FOP”) with a mailing address of _____.

WITNESSETH:

WHEREAS, the County is the fee simple owner of a 14.00-acre tract of land located at 11023 Prince George Drive that is improved with structures that were formerly used by the Prince George County School Board (“Central Wellness Center”); and

WHEREAS, the County is not using all of the Central Wellness Center and a portion of the building is not currently necessary for the general government needs of the County; and

WHEREAS, the FOP desires to use a portion of the Wellness Center for administrative space for the purpose of meeting in support of participation in the political process.

NOW THEREFORE, for and in consideration of the mutual covenants and promises contained herein, the County hereby leases to the FOP, for its non-exclusive use, upon the terms and conditions contained herein, the following described premises located at 11023 Prince George Drive:

Room 109, approximately 609 square feet in the Central Wellness Center; all as more particularly shown and designated on Exhibit B as “leased area.”

1. Term: The term of this lease shall be from June 1, 2019 to May 31, 2020. In addition, the County may terminate the agreement, without cause, at any time by giving 30 days written notice if the leased premises, in the sole discretion of the County, are needed for general government or other public uses or the FOP is not using the space sufficiently or has not diligently complied with the terms of this Agreement. The County also has the right to terminate this lease agreement if it chooses to transfer the lease to a different non-profit or public entity or convey the leased premises or portions or all of the building to others in a way that would affect the leased premises.

2. Use: The County grants to the FOP the right to use, clean and maintain the leased premises for activities in support of its mission, related activities and meetings of the FOP in accordance with the terms of this lease. The County also grants to the FOP the right to use existing parking areas and recycling and trash disposal containers at the Central Wellness Center. During the term of the lease, the County will continue to have access to the leased premises for inspection or maintenance or to improve the premises. The FOP accepts the property “as is” and warrants that it has done a diligent inspection of the property and is aware of the condition of the interior and all structures and any environmental or safety issues that may require remediation.

3. Access: The FOP will insure that only authorized representatives of the FOP and citizens have access to the leased premises during the designated hours of operation. All ingress and egress shall be through doors “1 and 2” as shown on Exhibit B. The FOP

will insure that it keeps a log or roster of keys and that no extra keys are made. If the FOP violates this provision, it will pay for the cost of changing locks and new keys. Representatives of the FOP and users of its services may only access areas within the building beyond the leased premises in order to use the bathrooms, use the water fountain, or use other spaces open to the public. No parking shall occur at the Wellness Center other than during approved days and times of operation of the FOP.

4. Hours of Operation: The FOP shall provide recommended hours for using the leased space to the County, for its approval, within one week of the effective date of the lease. The leased premises may only be used during days and hours that have been approved in advance by the County.
5. Charitable uses: The FOP intends to use the leased premises for its activities within the purposes of supporting local police officers and their families in times of need. All such activities shall be within the building in the leased premises.
6. Utilities: Water service will be provided by the existing public water and sewer service with all charges to be paid by the County. The County will also pay any utility costs related to the use of the leased premises including electricity, cable TV, natural gas, heating oil and propane. All bug, pest or vermin control measures shall be performed by the County.
7. Maintenance: The FOP will maintain, at its expense, all of the leased premises during the term of this lease in a safe and clean manner as determined by the County and in such a way as to protect any future use of the buildings for general government use. The County will maintain the remaining portions of the Central Wellness Center and the grounds

within the 14-acre parcel. The leased premises and related areas shall be kept in a clean and neat condition and cleaned and straightened to original condition after the completion of daily activities or after any special event, solely at the FOP's expense. If maintenance by the FOP is deemed inadequate as determined by the County, the FOP will pay the cost of maintenance or clean-up if performed at the County's direction.

8. Improvements: The FOP may make improvements or repairs to the leased premises at its sole expense only upon prior approval of the County and so long as such improvements or repairs do not negatively affect the current or future use of the leased premises by the County. The FOP, at its expense, may install appropriate signage identifying its use of the leased premises at a location and with a design approved by the County.
9. Insurance: The FOP, during the term of this lease, shall maintain liability, premises and personal and real property damage insurance that is commercially available at a reasonable cost insuring against liability arising out of the FOP's use of the leased premises in an amount and form of the policy approved by the County. The County and its employees/agents will be named as additional insureds. The County will maintain insurance on the structures and property insuring against loss or damage during the term of this lease. The FOP agrees to indemnify and hold harmless the County and its agents, officers and employees from any and all property damage, personal injuries or death as a result of its activities under this lease.
10. Supervision: All activities of the FOP shall be attended by a responsible adult over 21 years of age and all activities shall be supervised by an adult over 21 years of age.
11. Designated representative for all matters relating to this lease shall be:
