NAMING OF CENTRAL WELLNESS CENTER TRAIL

County Administration is looking to name the new public walking trail around the football/soccer field behind the Central Wellness Center (11023 Prince George Drive, Disputanta, VA 23842). The walking trail is a little over ¼ mile long and for all residents to enjoy.

The Parks and Recreation Advisory Commission suggested it be called the "CWC Fitness Trail," other suggestions included the "Turkey Trot Trail" and "Windy Trail." Staff is recommending "Turkey Trot Trail" and is looking for a decision from the Board of Supervisors.
