Dear Chairman Hunter:

I am sending this letter to request your concurrence to allow members of the general public to patronize the Fort Lee Cardinal Golf Club, Lee Club, Ten-Strike Bowling Center, Hideaway and Sustainer's Pub. The Department of the Army requires your agreement before considering such a proposal, so we are seeking your support, input and concurrence in this endeavor.

The proposal, if approved, by both local community leaders and the Department of the Army, will extend the privilege to members of the general public the opportunity to utilize these select recreational facilities on a space-available basis. They would enjoy all the same benefits as other patrons, and allowed to purchase on site consumables. Any fees or cost to the general public would be comparable to off-post facilities. The principal goal of this proposal is to build lasting partnerships and promote community relations.

Upon receipt of your concurrence, I will staff this request to the Department of the Army for final approval. I look forward to your favorable written response by December 20, 2019. Should you have any questions, please do not hesitate to contact Mr. Darrell Clay, Director of Family and Morale, Welfare and Recreation, at (804) 734-7195.

Thank you, in advance, for your favorable consideration, concurrence and support.

Sincerely,

Hollie J. Martin  
Colonel, US Army  
Garrison Commander
