Item: Award of Annual Services Contract- Routine & Emergency Utility Repairs

Lead Department(s): Engineering & Utilities

Contact Person(s): Frank Haltom

Description and Current Status

An Invitation for Bid (IFB) for routine and emergency repair annual services contract was issued on December 8, 2020, and closed on January 13, 2021. Work under this contract includes the maintenance, repair, and minor construction of water lines, sewer lines, manholes and associated appurtenances.

One response was received, which was from Perkinson Construction, LLC. Perkinson Construction holds the current annual service contract for utility repairs and remains in good standing with the department. The bid was reviewed by staff and is considered a responsive and responsible bid.

The term is for a one-year period. This contract may be renewed by the County for four (4) years at successive one-year periods under the terms and conditions of the original contract. This contract will be effective on February 1, 2021.

Staff recommends an award of the annual services contracts for routine and emergency repairs to Perkinson Construction, LLC in accordance with the terms and conditions provided for in IFB #21-08-0600.
