WORK SESSION

Mr. Allan Richeson, Registrar, gave Election 2021 results. He stated that the County has roughly 24,216 registered voters. The County had 54.8% voter participation. Of those voters, 31% voted early, 5% by mail, and 64% voted at the polls. Governor-Elect Youngkin came out with 64% of the vote. Lt. Governor-Elect Winsome Sears had 64% of the vote as well. Attorney General-Elect, Jason Miyares had 64% of the vote and Delegate Emily Brewer had 64% as well. Clerk of Court Joyce Jackson was unopposed and had 84% of the vote. Chairman Floyd Brown was unopposed and had 38% of the vote. Vice-Chair Waymack was unopposed and received 41% of the vote. School Board member Chris Johnson was unopposed and received 41% of the vote. School Board member Rob Eley won in District 1 with 28% of the vote. The Sheriff's race is still unofficial with Captain R.W. Buck Vargo receiving six more votes than Lt. Paul Burroughs. This qualifies for a recount. It will be at the Courthouse at a time determined by the Judge. All of the costs will be absorbed by the County due to the percentage difference.

Mr. Keith Boswell of Virginia's Gateway Region gave a report on the Regional Industrial Facilities Authority (RIFA). The Code of Virginia authority provides a mechanism for member localities to cooperate in developing, owning, and operating one or more facilities needed or desired in a region, through combined action. The creation of regional authority provides a mechanism for the Member Localities to cooperate in the development of facilities, which will assist the region. This allows Localities to combine resources and assets for the purpose of economic development. It is also a mechanism for sharing revenue. RIFA potential projects include broadband deployment, Industrial Park development, Industrial Site development, Water/Sewer solutions, and Transportation solutions. A RIFA is a different authority than an IDA/EDA primarily by nature of it requiring multiple Localities to create it in accordance with the RIFA Act. In the RIFA creation process, localities hold hearings, adopt ordinances, have an agreement creating RIFA, create by-laws, and make appointment of RIFA Board of Directors as appointed by Council / Board of Supervisors that can come from anywhere in the service area. Governing bodies of the localities create, by adoption of concurrent ordinances, Virginia's Gateway Regional Industrial Facility Authority ("VGRIFA"), which concurrent ordinances will be filed with the Secretary of the Commonwealth causing the creation of the Authority. Creation of VGRIFA by concurrent ordinances and filing with the Commonwealth; and localities agree on individual projects for participation. The initial proposed Member Localities of the Virginia's Gateway Regional Industrial Facility Authority are: Prince George County, Dinwiddie County, Sussex County, Surry County, City of Colonial Heights, City of Hopewell, and City of

Petersburg. VGRIFA shall be governed by a Board of Directors. Each Member Locality appoints one/two board members with an opportunity to have same number of alternate members. The Board shall elect from its membership a chair, vice chair, treasurer, and secretary for each calendar year. Each Locality appoints an elected official, or Economic Development Authority member, or an Economic Development Director as their VGRIFA Board member. Best members have had economic development experience. In the creation phase VGR will absorb the cost of creation. As far as Operational Dues, there are no cost anticipated at this time. The best practice would be for the organization to be self-funding and self-sustaining (i.e., % of grant to go towards administrative cost). Individual Projects Participation Agreements require approval by the governing bodies of the Member Localities who elect to participate on individual project basis. Operational funding would be expected during this phase Each Member Locality may consider participation in individual facilities or projects. The cost for such projects, and any remuneration from a project, shall only be shared by those that participate in the Participation Agreement for that project. There is no requirement to participate in each project and no penalties or adverse consequences to a Member Locality who does not participate. The Member Localities may agree to a revenue and economic growth sharing arrangement with respect to tax revenues and other income and revenues generated by any facility owned by the Authority. It requires approval by the governing body of the Member Locality for the site. Any such agreement shall be approved by a majority vote of the governing bodies of the Member Localities reaching such an agreement. The agreement does not require any other approval. This does away with the need for more complex approaches thus a RIFA streamlines the approval process. The Board shall submit an annual report of the VGRIFA's activities of the preceding year to the governing bodies of the Member Localities 120 days following the close of the fiscal year including a complete operating and financial statement covering the operation of the Authority during such reporting year. Any Member Locality may withdraw upon dissolution of the Authority, or with majority approval of all other Member Localities, after making contractual provisions for the repayment of its portion of any debt incurred and any general dues (if any) for operation of the Authority for the current and succeeding fiscal year. Some of the advantages are Grant opportunities encourage regional collaboration, project response time could decrease, partnerships in place when addressing large issues, cost sharing, revenue sharing, reduces risk through diversification, ready tool when needed – avoid long creation time and project size and scope. Some success stories include Lonesome Pine RIFA, Southern VA Mega Site at Berry Hill, Danville-Pittsylvania RIFA – Cyber Park – Kyocera 2017, Cumberland Industrial Facilities Authority. Prince George County has already drafted the Public Hearing Notices, drafted the draft Ordinances for each participating jurisdiction, drafted Agreement Creating the VGRIFA, and shared these drafts with the potential Member Localities. The next steps would be to add VGRIFA to its agenda and start advertising. A VGRIFA attorney will coordinate on hearing dates (Work Sessions and/or Public Hearings) and any other meetings or discussions that are requested. You would then hold the public hearing and make a vote.

Fire Chief Paul Beamon gave an update on public safety projects. Station 5 Schematic Plan was submitted on September 10; comments given and received during phone conversation and documented on September 15 by the Chief to the architect. Color selections were submitted to the Chief at the Station 1 meeting on October 20. There is a 60% completion of architect drawings and suggestions are in hand as of October 29. Staff will review and meet with the architect virtually or in person by November 12. A re-Final Set is to be provided to the Chief by

December 10. Staff will review and return comments to the architect by December 17, if not before. Bid Documents should be sent to the Chief by January 14, 2022. The total construction costs is \$676,793. In regards to Station 8, 90% completion was provided on November 1. Staff will review and return comments to the architect by November 12 and bid documents to the Chief by November 19. The approximate cost is \$100,000.00 -125,000.00. Chairman Brown asked the Chief was his confidence level is in the project timeline due to the lack of supply and demand. Chief Beamon stated that his confidence is not high. He is hoping that it will be an advantage with costs coming back down.

Mr. Dean Simmons, Director of General Services, gave an update on the fleet garage expansion. The total budget project costs to include construction, A/E and contingency is \$3,457,000. The projected project time line has been updated to November 5, 2021. Staff had expressed concerns with the time line and has requested that the IFB be processed before the end of 2021. Permission was given for Administration to authorize a Notice to Proceed with this Project. Plans are being completed. A&E has been in contact with the Building Official for process. A&E is working with Finance regarding the IFB. They are applying for the building permit today, the IFB will be on December 15 and the County will be receiving bids by January 14, 2022. They will award the contract by February 13, 2022 and complete construction by November 10, 2022. Chairman Brown asked for clarification on a \$1.3 million difference. Ms. Betsy Drewry, Finance Director, confirmed that. Mr. Simmons also gave a brief update on the Asset Works fleet focus software and stated that it is meeting all of the goals and slated to go live at the end of January.

Mr. Percy Ashcraft, County Administrator, gave a COVID update. Prince George residents seeking COVID-19 vaccine or booster appointments should call (877) 829-4682 or click on <https://vaccinate.virginia.gov/>. There will be a COVID-19 Vaccination Clinic on November 10 from 2 to 4 p.m. at Tinsley Charter and another on November 10 from 3 to 7 pm at the Dollar General on Courtland Road. There will also be a COVID-19 Vaccination Clinic on November 15 from 1 to 4 p.m. at Unity Baptist Church. The Virginia Department of Health (VDH) statistics report Prince George County has 5,113 cases of the coronavirus as of today since February, 2020; 46 deaths. All County employees are required to wear masks in the workplace. We are waiting on the interpretation of the President's mandate by state officials.

Chairman Brown called a recess at 6:51 p.m. The meeting reconvened at 7:00 p.m.

Invocation. Mrs. Waymack gave the Board's invocation.

Pledge of Allegiance to U.S. Flag. Boy Scout Troop 900 led the Pledge of Allegiance to the U.S. Flag.

PUBLIC COMMENTS. Chairman Brown announced that anyone wishing to come before the Board may do so at this time. She noted that this was the time for unscheduled general public comments. Chairman Brown opened the public comments at 7:02 p.m.

Mr. Reid Foster (7031 Laurel Spring Road). Mr. Foster stated that it is a sad day in Prince George County and he is disappointed that the Board has accepted the resignation of Percy Ashcraft. He stated that he, Mr. Carmichael and Mr. Robertson were all on the Board when Mr. Ashcraft was hired and he has moved this County forward in many ways. He has been an ally to Volunteer Fire and Rescue squad in this County. He stated that the Board needs to stop micro-managing and let the next County Administrator do their job.

There was no one else to speak and the public hearing was closed at 7:05 p.m.

APPROVAL OF AGENDA. Mr. Webb made a motion, seconded by Mr. Hunter, to adopt the agenda as presented. Roll was called on the motion.

On roll call the vote was:

In favor: (5) Hunter, Webb, Brown, Waymack, Carmichael

Opposed: (0)

PRESENTATIONS

S-1. Resolution; Commendation; Thomas Jonathan Jackson Carden; Attainment of Eagle Scout. Mrs. Waymack presented the commendation to Eagle Scout Thomas Carden in the presence of his fellow scouts and family.

SUPERVISORS' COMMENTS

Mrs. Waymack stated that the election is over and the people have spoken. She thanked everyone for voting as it is one of precious rights we have. Let us not forget that other died in order for us to exercise this right. In ancient times there were no elections, only kings and queens.

Mr. Carmichael stated that it has been great having Mr. Ashcraft and he thanked him for everything he has done.

Mr. Webb announced that November 10th is the 246th birthday of the U.S. Marine Corp.

Mr. Hunter stated that Merchants Hope Church has a part in Wreaths Across America and to check with them to participate.

Chairman Brown stated that Mr. Ashcraft made the decision to leave Prince George County for himself and his family. If anyone thinks that this Board had anything to do with him leaving, it could not be further from the truth. This was his and his family's decision, and all that this Board can do at this point is support him. He stated to Mr. Ashcraft that he looks forward to working with him to the end and they will continue to be friends.

REPORTS

VDOT – Ms. Crystal Smith of the Virginia Department of Transportation gave a roads maintenance report. There will be a citizens information meeting in late February on the Bull Hill Road roundabout. Sussex has requested an additional route on the no through truck restriction on Templeton. Once it is all worked out, it will be advertised and there will be a public hearing. They are looking at 8 to 10 months to finalize the process. The Marl Bank project is now complete. Woody's Road and Route 301 pipeline project is underway. Arwood Road will have a delay in the pavement work based on additional changes being made. The contract has been awarded. It will probably be March or April for the construction. There will be a detour. Abandonment of Bickens Lane is forthcoming. The Benjamin Harrison Bridge is having overnight closures from November 7 to November 11.

ORDER OF BUSINESS

A-1. Resolution; Authority to Advertise an Ordinance to Amend "The Code of the County of Prince George, Virginia," as Amended, by Amending §63-72(H) to Require a Road Name for Public and Private Right-of-Way or Access Easements Accessing Three or More Properties or Addressable Structures. Mr. Dan Whitten, County Attorney, stated that the County Code currently states only public and private rights-of-way accessing five or more properties or addressable structures shall have a separate road name. The proposed Ordinance amending Section 63-72(h) states public and private right-of-ways and access easements accessing three or more properties or addressable structures shall have a separate road name. Mr. Hunter made a motion, seconded by Mr. Carmichael to approve advertisement of an

Ordinance amending Section 63-72(h) to require a road name for public and private right-of-way or access easements accessing three or more properties or addressable structures on December 14. Roll was called on the motion.

REPORTS (cont'd)

RUOK – Ms. Mary Ann White of the Senior Citizen Task Force, stated that they are there this evening to ask the Board to allow them to implement a program called “RUOK.” This will be a free outreach program for senior citizens or adults with disabilities who are residents of Prince George County and do not have a family member or caregiver living with them to assist them. They have met with the Supervisor of Communications in the Prince George Police Department. RUOK is an automated call system that reaches out to the citizen who has agreed to be a part of the program every day at the same time. When the phone is answered the citizen is prompted to press a number to listen to “RUOK.” If the citizen does not select the number indicated, it will be considered an unanswered call. They will be called two to three more times. If there is still no answer, an alert will be reported and Police will be dispatched to do a wellness check. Information on how to gain access to the home will be printed on the alert. The total cost for this program is \$2,200. The Department of Social Services will cover the costs. They plan to start with churches to recruit people into the program. They would like to implement the program in January, 2022. Mr. Webb asked what should the citizen do if they are not going to be home. Mrs. White stated that there will be a number for them to call to alert that they will not be home. Mrs. White clarified for Mrs. Waymack that at this time it only works on landlines. Mr. Webb asked if there is something going forward that will allow cell phones. Ms. White stated that she believes they will eventually allow cell phones when the software is updated. Chairman Brown thanked the Senior Citizen Task Force for making a difference. The Board agreed that this is a great program and approved it by consensus.

Exit 45 Strategic Plan – Mr. David Denny of Sanford Holshouser, talked about the project components, including the focus on the Tourism Zone designated at Exit 45, an investigation of Water and Sewer deficiencies and recommendations, and creating recommendations for Development of a Vision to Transform the Zone. This vision was formed by a review of existing and previous data and studies, stakeholder input, comparative review of other exits, and team knowledge and experience. In addition, they investigated Zoning and Code Compliance Issues and made recommendations and created a matrix of goals and action steps to achieve the recommendations made. Ms. Liz Povar of RiverLink Group talked about the stakeholder engagement process. The vision plan is to proactively consider the needs and desires of anyone who has a stake in the outcome. Fosters connections, trust, confidence, and buy-in. Mitigates potential risks and conflicts with, including uncertainty, dissatisfaction, misalignment, disengagement, and resistance to change. They have had one on one interviews and citizen input and have worked with three focus groups, including the Prince George IDA, Prince George County Planning Commission, and Exit 45 Business Owners. Ms. Povar talked about common

inputs and themes in its current state. Exit 45 is like a closet into which, over time, a lot of things have been stuffed; now is the time to clean and organize the closet. Exit 45 is five exits past significance. The exit is in the worst condition of its evolution (demolish). Eliminate the blight – deal with the “dead fish.” Police calls at the exit are trending upward. Effective code enforcement is lacking. The exit does not reflect a safe environment. She then talked about a preferred state. Visitors feel a sense of place and relaxation; the Exit is built on greenspaces that are lighted and walkable. The exit becomes a repeat-stop for visitors. The exit reflects quality and pride in its services. Blighted properties are removed, and remaining properties are held accountable. Police calls are significantly reduced in number and scope. Cross-department team enforces codes. Lighting, signage and image present a safe environment. Some characteristics of the preferred state are for the exit to attract visitors and county citizens, be visible from the Interstate; appealing and safe, consistent signage and wayfaring reflects the brand of the County, incorporates unique and authentic assets as well as a name-brand restaurant, incorporates a meeting venue, and becomes known for its greenspaces and sense of relaxation. Some operational recommendations without significant costs include, create an Owners’ Team to ensure owners are partners with the County and are regularly informed of progress toward goals; create an Exit 45 County cross-department task force with an ombudsman to navigate development projects for this exit among County departments; IDA emphasis on complementary business attraction for location at this exit; utilizing the IDA as a development tool for improving physical properties at this exit; and creating a focused and unique marketing plan for the exit, supported by appropriate financial and staff resources. Ms. Adrianna Dimperio of Draper Aden Associates, talked about the water and sewer issues at Exit 45. There is some remaining water capacity at Exit 45 of 91,000 gpd. However, it is short-term. There is 130,000 gpd in sewer remaining capacity. She talked about key goals to improve water and sewer at Exit 45. One is to develop a new well to provide additional water capacity for Mid Term development demands. Another is to extend waterline south along Route 301 to serve retail, commercial and residential development adjacent to and east of Interstate 95. In addition, another option is to receive additional water capacity from Petersburg and construct a 12-inch waterline, storage tank and booster pump station along Route 301, interconnect the Route 301 water system and Central water system, upgrade 12-inch gravity sewer south of SPS-006 to 15-inch, upgrade SPS-006 to add a third pump, and construct new gravity sewer, pump station and force main as part of commercial and retail development east and adjacent to Interstate 95; and construct new gravity sewer, pump station and force main as part of residential development east of Interstate 95. Mr. Denny talked about key goals for this vision to become a reality. Some suggestions were to implement activities for general blight mitigation and “curb side appeal,” obtain and redevelop the Continental property, obtain and redevelop the former Steven Kent property, create programs, develop assets, and recruit businesses that will support County strengths, intensify promotion and marketing of Exit 45 as an overnight interstate traveler and longer stay sports/outdoor participants tourist, and seek and recruit developers to create mixed use and residential developments on the west side of the interstate (limited) and on the east side of the interstate (denser). And, finally, to proactively pursue new businesses that will support mixed use, residential, retail, etc. to support the Exit 45 vision for visitor amenities and for resident needs. Suggested actions to be taken are to develop a conceptual master plan, contract with a Travel/Tourism firm to develop a brand for Exit 45, develop a lighting and landscape plan for the exit, establish and/or reinvigorate an Exit 45 merchants and owners’ group, develop a package of

incentives to stimulate owner participation, and contact VDOT and resolve issues related to Exit instructions.

COUNTY ADMINISTRATOR'S REPORT

Mr. Ashcraft stated that Prince George County is a military county and he encouraged the public to recognize the veterans of this County for their service to the Country and this County. He recognized Mr. Hunter, Mr. Webb, and former Board member Bill Robertson, who was in attendance at the meeting for their service. Prince George County has been nominated for the best County, the best High School, and for the best community event. The 'Best of the Best' Awards Night will be on November 18 at 6 p.m. at the Petersburg Country Club. Mr. Ashcraft thanked Mr. Foster for his earlier endorsement. He stated that he appreciates Mr. Foster, Mr. Carmichael, and Mr. Robertson for the opportunity to serve this County. However, he does want to set the record straight. He read his letter of resignation as follows:

“After 10.7 incredible years as your County Administrator, it is my intent to step down from the position, effective December 3, 2021 to take a similar position in King William County.

I want to thank each of you for allowing me the privilege to lead this organization, as well as past Boards dating back to my hiring on March 14, 2011.

A reflection of this era will certainly be testimony to an enormous expansion of services for our residents and positioning of our County as a leader in the Tri-Cities region. I have worked with some tremendous talent in our employee base that has carried a commitment to public service at a high level.

I will cooperate fully at your direction in the transition leading up to my departure.

On behalf of my entire family, we wish you tremendous good fortune in the years ahead. May God's blessings continue to shine favorably as they have in the last 10.7 years and thank you for every professional and personal courtesy.”

He stated that not one single member of this Board asked him to write that letter. There are times when people of stature make a decision, there is always potential for reasons to be blended in that are not the truth. The truth is he found a locality that needs him a little bit more than Prince George County does. He thanked the Board for its leadership and support and stated that it has been a privilege to work with them. It has been a tremendous decade and he is very proud of what he and the Board have accomplished together. He wanted to make it very clear to the public that there are no ill-will feelings between him and the Board. He stated that he and his family have been very blessed here in Prince George County. This is simply a career opportunity and nothing else. Chairman Brown added that he is here to support him in any way.

ORDER OF BUSINESS (cont'd)

A-2. Resolution; Authority to Advertise Public Hearing to Lease a Portion of the Central Wellness Center to the American Legion Post 1703. Mr. Whitten stated that representatives of the American Legion Post 1703 have approached the County to request that the County lease a room in the Central Wellness Center to this organization to be used for activities that support the well-being of America's veterans, their families, our military, and communities by the devotion of mutual helpfulness. In order to lease real estate owned by the County, the Board must hold a

public hearing pursuant to Section 15.2-1800 of the Code of Virginia, 1950, as amended. Mr. Webb made a motion, seconded by Mr. Hunter, to approve advertisement for November 23 for the American Legion Post 1703 to lease a room in the Central Wellness Center. Roll was called on the motion.

A-3. Resolution: Award of Contract (\$77,608.40 Heaton's Lawn Maintenance for County Grounds Maintenance). Ms. Betsy Drewry, Finance Director and Deputy County Administrator, stated that the County's current contract and available renewals for Grounds Maintenance Services expires November 30, 2021. An Invitation for Bids was issued (IFB-22-06-0801) to solicit comprehensive grounds maintenance work for the County. The IFB was issued on October 18, 2021 with a November 1, 2021 close date. Four bids were received, all of which were responsive bids. The lowest responsive bidder was Heaton's Lawn Maintenance with a bid of \$77,608.40. Heaton's is the current service provider with the County. Heaton provided an hourly rate for \$85.00, and a 10% materials mark-up for services outside of the contract scope. Staff is recommending award of contract to Heaton's Lawn Maintenance for \$77,608.40 for comprehensive grounds maintenance services for a one-year term with the option of four successive one-year renewals. Funds for grounds maintenance services are budgeted within the General Services Budget. Mr. Carmichael made a motion, seconded by Mrs. Waymack to authorize the County Administrator to execute a one-year contract with Heaton's Lawn Maintenance for \$77,608.40 with the option of four successive one-year renewals. Roll was called on the motion.

RESOLUTION; AWARD OF CONTRACT (\$77,608.40 HEATON'S LAWN MAINTENANCE FOR COUNTY GROUNDS MAINTENANCE)

WHEREAS, On October 18, 2021 an Invitation for Bid (IFB #22-06-0801) was issued to solicit bids for County grounds maintenance services. The IFB closed on November 1, 2021 at 2:00 p.m. with four responses; all of which were responsive bids. The lowest responsive bid was in the amount of \$77,608.40 and was received from Heaton's Lawn Maintenance; and

WHEREAS, Staff is requesting authorization for the County Administrator to enter into a one-year contract effective December 1, 2021 with Heaton's Lawn Maintenance in the amount of \$77,608.40 for County-wide grounds maintenance services, with the option of four successive one-year renewals.

NOW, THEREFORE, BE IT RESOLVED That the Board of the Supervisors of the County of Prince George this 9th day of November, 2021, hereby awards the bid for the County Grounds Maintenance Services to Heaton's Lawn Maintenance in the amount of \$77,608.40 and authorizes the County Administrator to execute a one-year contract with the option for four successive one-year renewals.

A-4. Resolution; Budget Amendment and Appropriation to New Walton Elementary School Project – General Fund, Fund Balance (\$776,308.85) and Debt Proceeds (\$4,092.15). Ms. Betsy Drewry, Finance Director and Deputy County Administrator, stated that the Prince George County Board of Supervisors approved construction of a new elementary school to replace existing William A. Walton Elementary School and has made multiple appropriations to date from debt and non-debt sources. To reach full project budget, an additional appropriation is requested. The School Board previously requested of the Board of Supervisors an appropriation of up to \$780,401 from General Fund, Fund Balance, allowing the School Board to “repay” / restore the amount over a period of two fiscal years (if needed). This amount has not yet been appropriated. A total of \$31,105,000 in debt proceeds has been appropriated, and \$32,109,092.15 was actually deposited at closing, \$4,092.15 more than estimated. This leaves an appropriation of \$776,308.85 needed from fund balance, with expected “repayment” from the School Board. Mr. Webb made a motion, seconded by Mr. Hunter, to appropriate debt proceeds (actual over estimated) of \$4,092.15 and an appropriation from General Fund, Fund Balance of \$776,308.85 with expected “repayment” (or restoration) from the School Board within a two year period of time. Roll was called on the motion.

RESOLUTION; BUDGET AMENDMENT AND APPROPRIATION TO NEW WALTON ELEMENTARY SCHOOL PROJECT – GENERAL FUND, FUND BALANCE (\$776,308.85) AND DEBT PROCEEDS (\$4,092.15)

WHEREAS, The Board of Supervisors of the County of Prince George authorized construction of a new elementary school to replace existing William A. Walton Elementary School; and

WHEREAS, the Board has authorized appropriations from debt proceeds and from non-debt sources totaling \$34,260,000 to date, which is \$780,401 less than the approved project budget of \$35,040,401; and

WHEREAS, the Prince George County School Board previously requested an appropriation of up to \$780,401 from General Fund, Fund Balance, with permission to “repay” / restore that amount to the fund balance within a two year period; and

WHEREAS, actual bond proceeds received at closing were \$4,092.15 higher than estimated amounts included in the bond appropriation resolution approved on April 13, 2021, leaving an appropriation of \$776,308.85 needed from General Fund, Fund Balance.

NOW THEREFORE, BE IT RESOLVED That the Board of Supervisors of the County of Prince George this 9th day of November, 2021, does hereby authorize the following increase of funds within the FY2021-2022 Budget, such line items increased and changed as follows, which monies to be expended for purposes authorized and approved by the Board of Supervisors of the County of Prince George:

A-6. Resolution: Award of Contract and Appropriation from Debt Proceeds (\$108,572 Architectural and Engineering Services Circuit Courtroom Renovation). Ms. Drewry stated that The Board of Supervisors has been evaluating Judge-requested renovations to the Circuit Court room. The Board received a report from Dean Simmons at its October 20 work session, and was agreeable to the design provided during that work session. Moseley Architects, one of the County's contracted architectural firms (RFP 21-04- 0504) provided a pricing proposal to complete detailed drawings; assist with the bidding process; provide construction management services; and to provide furniture design services. Staff is recommending award of contract to Moseley Architects in an amount not to exceed \$108,572 for these services. Funds for architectural services will be derived from a late winter 2021 borrowing as part of multiple CIP projects. Staff is requesting the board to authorize the County Administrator to execute a contract with Moseley Architects not to exceed \$108,572 and a reimbursement resolution allowing the County to reimburse itself for A/E services when debt is issued. Mr. Webb made a motion, seconded by Mrs. Waymack, to approve the award of contract and appropriation as presented. Roll was called on the motion.

**RESOLUTION OF OFFICIAL INTENT TO REIMBURSE
 EXPENDITURES WITH PROCEEDS OF BONDS
 OR OTHER INDEBTEDNESS**

WHEREAS, the Board of Supervisors (the "Board") of the County of Prince George, Virginia (the "County") has previously determined to undertake the purchase of the design development, construction document, bidding, construction administration and furniture design of architectural services for a renovation of the Circuit Courtroom of \$108,572;

WHEREAS, the Board currently expects that the cost of the Purchase, excluding the costs of the financing thereof, will be approximately \$108,572;

WHEREAS, the Board currently expects to incur long-term indebtedness in an amount now estimated at \$108,572 to pay a portion of the costs of the Purchase, which indebtedness may take the form of tax-exempt bonds or other types of debt; the proceeds of such indebtedness may be used either for paying costs of the Purchase directly or for repaying other indebtedness previously incurred for the Purchase or for a combination of such purposes; and

WHEREAS, the County may also advance its own funds to pay expenditures relating to the Purchase (collectively, the "Expenditures") prior to receiving reimbursement for such Expenditures from the proceeds of tax-exempt bonds or taxable debt, or both;

THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County as follows:

1. The County intends to utilize the proceeds of tax-exempt bonds or notes (the "Bonds") or to incur other debt to pay Purchase costs in an amount not currently expected to exceed \$108,572.
2. The County intends that the proceeds of the Bonds be used to pay or reimburse the County for the payment of Expenditures made after the date of this Resolution or made within 60 days prior to the date of this Resolution or Expenditures which are incurred for certain preliminary costs such as architectural, engineering, surveying, soil testing, bond issuance expenses and the like. The County reasonably expects on the date hereof that it will pay or reimburse the Expenditures with the proceeds of the Bonds or other debt.
3. Each Expenditure will be, unless otherwise approved by bond counsel, either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, or (c) a nonrecurring item that is not customarily payable from current revenues.
4. The County intends to make a reimbursement allocation, which is a written allocation by the County that evidences the County's use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Purchase is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The County recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, and certain de minimis amounts.
5. The Board intends that the adoption of this Resolution confirms the "official intent" of the County within the meaning of Treasury Regulations Section 1.150-2 promulgated under the Internal Revenue Code of 1986, as amended.
6. The County Administrator and other officers of the County are hereby authorized and directed to take such actions, in consultation with the County's counsel, as may be necessary or desirable to implement the planning and structuring of the Bonds, including but not limited to negotiations with lenders or investment bankers for the Bonds, the selection of bond counsel to supervise the issuance of such Bonds and the engagement of such other professionals as may be necessary or desirable to assist the County in this process, but such officers shall not obligate the County on such Bonds without further approval by the Board.
7. This Resolution shall take effect immediately upon its passage.
