

Issue Analysis Form (rev. July 2013)

Date: April 4, 2022
Item: Senator Kaine earmarks FY23
Lead Department(s): County Administration
Contact Person(s): Julie Walton, DCA - Dir. CDCC

Description and Current Status

The United States federal budget for FY2023 is allowing each Senate member to submit projects for consideration as part of the transportation funding process through the Committee of Transportation & Infrastructure. The Committee is encouraging "projects that will help advance the goals of the surface transportation authorization legislation, which include building a safer transportation network, increasing access, strengthening our multi-modal transportation systems, reducing carbon pollution, enhancing environmental justice, supporting underserved communities, and improving state of good repair of our Nation's infrastructure." The proposed County project for consideration of submittal is the Roundabout at Middle Road (Rt. 646) and Jefferson Park Road (Rt. 630). This project was not funded through the Smart Scale program last year, but meets the criteria for submittal for federal earmark funding.

Government Path

Does this require IDA action?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does this require BZA action?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does this require Planning Commission action?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does this require Board of Supervisors action?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Does this require a public hearing?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

If so, before what date?

By the April 13, 2022 deadline, the County Board of Supervisors should approve the proposed transportation project to be submitted to Senator Kaine's office by resolution to show local support of the project. The County resolution will be included in the application sent to Senator Kaine.

Fiscal Impact Statement

The County has already identified the project in our SSYIP and provided funding each year as available. If funded through the federal earmark, future SSYIP funds could be used for other projects in the County.

County Impact

The proposed transportation project has been identified as a need on our SSYIP and through the State's Smart Scale Program. This process allows local governments to propose projects in alignment with federal department technical requirements that address significant needs and provide a significant public good.

Notes

Board of Supervisors
County of Prince George, Virginia

Resolution

At a regular meeting of the Board of Supervisors of the County of Prince George held in the Boardroom, Third Floor, County Administration Building, 6602 Courts Drive, Prince George, Virginia, this 12th day of April, 2022:

Present:

Marlene J. Waymack, Chair
Donald R. Hunter, Vice - Chair
Floyd M. Brown, Jr.
Alan R. Carmichael
T. J. Webb

Vote:

A-15

On motion of _____, seconded by _____, which carried unanimously, the following Resolution was adopted:

RESOLUTION; APPROVAL OF PRINCE GEORGE COUNTY, VIRGINIA
PROJECT SUBMITTED TO SENATOR TIM KAINE FOR FY2023
FEDERAL BUDGET TRANSPORTATION FUNDING

WHEREAS, the United States federal budget for FY2023 is allowing each United States Senator to submit surface transportation projects for consideration as part of the project funding process through the Transportation, Housing and Urban Development account; and

WHEREAS, the process allows local governments to propose projects in alignment with federal department technical requirements and that will help advance the goals of the surface transportation authorization legislation, which include building a safer transportation network, increasing access, strengthening our multi-modal transportation systems, reducing carbon pollution, enhancing environmental justice, supporting underserved communities, and improving state of good repair of our Nation's infrastructure; and

WHEREAS, the County's Smart Scale Application 7123, Roundabout at Middle Road (Route 646) and Jefferson Park Road (Route 630) was not able to be funded with Statewide High Priority or district grant funds; and

WHEREAS, the project is included in the Virginia Department of Transportation Six-Year Plan for Prince George County Secondary Roads and will have anticipated

dedicated funding of \$1,614,399.00 of an FY2022 estimated total project cost of \$5,155,205.00 leaving a deficit of \$3,540,806.00; and

WHEREAS, the project is near the site of the County's new Elementary School on Middle Road scheduled to begin construction this summer, making this project important for the safety of students, parents and school staff; and

WHEREAS, the project is either in the Constrained Long Range Transportation Plan or is consistent with the intent of the Constrained Long Range Transportation Plan;

NOW, THEREFORE, BE IT RESOLVED, That the Prince George County Board of Supervisors, this 12th day of April, 2022, does hereby submit the following project to Senator Tim Kaine for consideration in the FY2023 U.S. Senate funding process:

1. Roundabout at Middle Road (Route 646) and Jefferson Park Road (Route 630)
\$3,540,806.00

Jeffrey D. Stoke
Interim County Administrator

Congressionally Directed Spending

Thank you for your interest in applying for congressionally directed spending (CDS) through Senator Kaine's office.

Senator Kaine is now accepting requests for Virginia projects for Fiscal Year 2023 (FY23). Please use this form to submit a request. The deadline for all submissions, including programmatic requests is 11:59 PM on April 13, 2022. The Committee has issued updated guidance regarding FY23 CDS requests and available accounts. The form and instructions have been updated to include links to each subcommittee's recommended guidance when submitting requests. Please note that CDS requests are for a specific project in a specific location. Not all subcommittees will be accepting requests for CDS spending, so please pay attention to specific subcommittee guidance. You are encouraged to submit projects as soon as possible.

Any CDS request that was submitted to Senator Kaine's office for FY22 must be resubmitted for consideration for FY23. FY22 requests do not carry over to the new fiscal year.

Please read the instructions below in full and feel free to reach out to Kaine_Approps@kaine.senate.gov with questions.

- **Purpose:** The purpose of this application is to identify high-impact projects in Virginia that can reach completion with one-time assistance from the federal government.
- **Senate Rule XLIV:** Any CDS request submitted to the Appropriations Committee must comply with this rule.
- **Eligible Accounts:** A specific list of accounts under which CDS requests were supported in FY22 process is available [here](#). The list of eligible accounts is subject to change pending instructions for the FY23 appropriations process. If you submit an application for a CDS project in an account that is no longer eligible once the FY23 guidance has been released, a member of Senator Kaine's staff will reach out to you.
- **FY22 Reforms:** The Appropriations Committee instituted the following reforms for FY22 when it restarted the CDS process. These reforms are expected to continue for any FY23 process.

It is important to note that the budgetary constraints currently facing the federal government, as well as the Committee's parameters on congressionally directed spending, limit the opportunities for community project funding. Submission of this application does not guarantee that funding will be appropriated.

Please use this form to submit requests for regular programmatic appropriations. Programmatic requests are general funding requests for national and regional programs, and/or bill and report language requests that direct, encourage, or urge an Agency or Department to carry out an action

If you have any questions or concerns, please reach out to my office at 202-224-4024 or at Kaine_Approps@kaine.senate.gov.

Instructions

Please complete the following questionnaire to submit Congressionally Directed Spending requests for the Fiscal Year 2023. **Requests that are submitted early and with thorough attention to the requested information have the greatest chances of success. The deadline to submit applications is 11:59 PM on April 13, 2022.** Any CDS request must comply with [Senate Rule XLIV](#).

Please complete a separate form for each project request if your organization intends to submit multiple funding requests. If your organization submits multiple requests, please denote the priority order of each proposal in the "Requestor Background" section of the questionnaire.

It is required that you identify the account under which the Congressionally Directed Spending request would be funded. An available list of eligible accounts by bill is available [here](#). Please avoid submitting the same answer for each response. If you are submitting the same requests to other Virginia congressional offices, please ensure the answers provided are identical.

Below is a list of the eligible accounts in each subcommittee and subcommittee guidelines that all requestors should follow when submitting a request for funding.

- [Agriculture](#)
- [Commerce, Justice, Science](#)
- [Energy and Water](#)
- [Financial Services and General Government](#)
- [Homeland Security](#)
- [Interior and Environment](#)
- [Labor, Health and Human Services, and Education](#)
- [Military Construction](#)
- [Transportation Housing and Urban Development](#)

Disclaimer: The purpose of this application is to identify high-impact projects in Virginia that can reach completion with assistance from the Federal Government. Congressionally Directed Spending is capped at one percent of all discretionary spending. A specific list of accounts under which CDS requests will be supported is available. Only these accounts are open for these requests. Submission of this form should not be construed as a guarantee that funding will be requested or awarded.
