

Issue Analysis Form

Date: October 25, 2022

Item: Work Session - Utility Projects Update

Lead Department(s): Engineering & Utilities

Contact Person(s): Frank Haltom

Description and Current Status

Staff will provide a presentation to inform the Board of the goals identified in the Water and Wastewater Master Plan, the Southpoint Business Park (SBP) Utility Study and the County's Strategic plan to provide adequate water and wastewater service to meet current and long-term demands.

The presentation will include brief updates on the following capital projects:

1. Appomattox River Water Intake Permit
2. Food Lion Booster Station Improvements
3. Route 156 Water Line Extension
4. Route 10 Water Line Extension to Jordan on the James and Beechwood Manor
5. Temple Avenue Water Storage Tank and Pumping Station - Located on River Rd
6. Water Line Under Appomattox River – Increase Water Main Size from ARWA
7. Route 156 Water Storage Tank and Pumping Station – Located on Middle Road
8. SBP Force Main Relocation
9. Blackwater Regional Pump Station
10. Exit 45/Route 301 Water Strategy
