AUTHORIZATION TO REFUND BUSINESS PERSONAL PROPERTY TAXES ERRONEOUSLY PAID BY DEBOSE AND SONS CONSTRUCTION CO.

For a number of years, Debose and Sons Construction Company operated a business at 2077 East Whitehill Road, Prince George County and paid applicable personal property taxes. In 2012 the company moved to New Kent County but continued to file tax returns with the Prince George County Commissioner of the Revenue and paid taxes to Prince George County as if the company was still transacting business in Prince George. Since the business' "definite place of business" was in New Kent County for those years, the taxes were erroneously paid to Prince George County. Accordingly, the Commissioner of the Revenue has authorized a refund of \$23,680.36 for erroneously paid business personal property taxes for the tax years of 2014, 2015 and 2016 (see attached letters). § 58.1-3981, Code of Virginia, 1950, as amended, requires that the Board of Supervisors approve any refund of erroneously paid taxes.
