I've been a resident for 35 years and had two children and a grandchild that went through the recreation department activities and I currently have two grandchildren attending recreation activities as well as myself being an active member with the central wellness center weigh room and regularly participating with the morning pickle ball group. As a part of my duties for the United Way board I helped with the distribution of activities and analyzed new and existing programs. I achieved lifetime membership in the Virginia Jaycees, United States Jaycees and Jaycee International. I've been a member of the Grace Lutheran Church for over 54 years serving in different capacities to include deacon, mission trips, and serving the church.
