RESUME

AUTHORIZATION TO HOLD A PUBLIC HEARING TO CONSIDER ADOPTION OF ORDINANCES TO AMEND THE CODE OF THE COUNTY OF PRINCE GEORGE, VIRGINIA, 2005, AS AMENDED, BY AMENDING SECTIONS 82-110, 82-261, 82-262, 82-429, 82-536 AND 82-537 TO REPEAL THE JOHNSON ROAD/FLANK ROAD, RIVER ROAD, AND JEFFERSON PARK/MIDDLE ROAD WATER SERVICE DISTRICTS AND THE BRICKHOUSE LANDING WASTEWATER SERVICE DISTRICT AND TO CLARIFY RESPONSIBILITY FOR CERTAIN CONNECTIONS

Request authority to advertise a Public Hearing on July 12, 2016 for adoption of ordinances amending The Code of the County of Prince George, Virginia, 2005, as amended by amending sections 82-110, 82-261, 82-262, 82-429, 82-536 and 82-537 to repeal the Johnson Road/Flank Road, River Road, and Jefferson Park/Middle Road water service districts and the Brickhouse Landing wastewater service district and to clarify responsibility for certain connections. This ordinance is necessary to allow standard rates and fees to be charged in these areas in order to more fairly apply costs to customers receiving water and wastewater services.

ORDINANCE TO AMEND THE CODE OF THE COUNTY OF PRINCE GEORGE, VIRGINIA, 2015, AS AMENDED, BY AMENDING SECTIONS 82-110, 82-261, 82-262, 82-429, 82-536 AND 82-537 TO REPEAL THE JOHNSON ROAD/FLANK ROAD, RIVER ROAD, AND JEFFERSON PARK/MIDDLE ROAD WATER SERVICE DISTRICTS AND THE BRICKHOUSE LANDING WASTEWATER SERVICE DISTRICT AND TO CLARIFY RESPONSIBILITY FOR CERTAIN CONNECTIONS

BE IT ORDAINED by the Board of Supervisors of Prince George County:

(1) That the Code of the County of Prince George, Virginia, 2005, is amended by amending sections 82-110, 82-261, 82-262, 82-429, 82-536 and 82-537 as follows:

Sec. 82-110. - New connections; application and fee.

- (a) Any person desiring to connect his premises to the county water system shall make application therefor to the director. The application shall include the name of the applicant, the location of the premises for which service is desired and an estimate of water consumption for the facility.
- (b) Applications shall be made on the special form provided by the director and shall be accompanied by the proper connection charges and water turn-on fee, if applicable, as well as any plans, specifications or other pertinent information requested by the director.
- (c) Applicants for service to existing uses along newly constructed or existing lines may elect to pay the entire connection charge at the time of application for service or to pay the charge in equal installments. If the installment method is chosen, the first payment shall be made at the time of application; subsequent payments shall be due and payable bimonthly with utility bills. Up to 12 installment payments shall be permitted for water connection charges.
- (d) All other provisions of this article notwithstanding, it shall be within the powers of the director to negotiate terms for payment of connection charges by an applicant for water service to other than single-family residential premises. Such agreements to permit extended periods for payment of the established fees, with such interest charges as may be negotiated, shall be approved by the board of supervisors before being executed by the director.
- (e) Applicants along newly constructed water lines shall be eligible to receive a 56-percent discount from established connection fees, provided:
 - (1) The connection is for a single-family dwelling;
 - (2) Application for service is made within 60 days of notification by the director of availability of the utility line; and
 - (3) All applicable charges and fees are paid in full within the same 60-day period.
- (f) The water service connection shall be installed either by the department or by the contractor and inspected by the department, and shall include corporation stop and water main tap, service connection pipe, curbstop, water meter setting and meter box. All service connection pipes on private property shall be installed by the applicant.
- (g) ~~Water user charges shall be based and assessed upon the following service districts and shall be served in accordance to the fee schedule set forth in section 82-262.~~

June 14, 2016

- (1) ~~Johnson Road/Flank Road water service district. That area of the county served water by the City of Petersburg, Virginia, along Johnson Road (State Route 608) from Flank Road to a subdivision known as Bland Ridge and recorded in plat book 18, page 155-156. This area is to encompass all properties located in the county currently or in the full line served by the 12-inch water main extending to the aforementioned subdivision from the City of Petersburg.~~
- (2) ~~River Road service district. Also that area of the county served by water purchased from Virginia American Water Company along River Road (Route 645). This area is to encompass all properties located in the county currently or which may be served by any connection with the line currently supplying water to the federal correction institute. The description of this area is as follows: that area of the county served water from Virginia American Water Company, Hopewell, Virginia, along River Road (State Route 645) from the City of Hopewell city limits to a parcel of land deeded to the commonwealth department of corrections, and recorded in deed book 291, page 359. This area is to encompass all properties located in the county currently or in the full line served by the water main extending to the property described above from the City of Hopewell city limits;~~
- (3) ~~Jefferson Park/Middle Road water service district. The description of this district is as follows: starting at a point at the intersection of Brandywine Drive and Jefferson Park Road, following Jefferson Park Road in a southerly direction to its intersection with Middle Road; following and including 200 feet lying parallel and adjacent to the southernmost boundary of Middle Road in an easterly direction to its intersection with Prince George Drive; following Prince George Drive in a northerly direction to its intersection with the City of Hopewell city limits; following the City of Hopewell city limits westerly to its intersection with Brandywine Drive; then following Brandywine Drive westerly to the point beginning at its intersection with Jefferson Park Road.~~

Sec. 82-261. - Connection charge schedule.

- (a) For residential customers using a standard three-quarter inch service pipe and a five-eighths inch meter, the connection fee shall be \$3,000.00. Connection fees for meters larger than five-eighths inch shall be in accordance with subsection (b) of this section.
- (b) Connection fees for customers requiring eight-inch or smaller meters shall be based upon the installed meter size according to the following schedule:

Meter Size	Connection Fee
5/8"	\$3,000.00
¾"	3,000.00
1"	11,230.00
1½"	23,420.00
2"	38,670.00
3"	80,840.00

June 14, 2016

4"	133,610.00
6"	259,930.00
8"	399,630.00

Connection fees for customers requiring larger than eight-inch meters shall be determined on a case by case basis and established by contract, but in no case shall be less than the capacity fee for an eight-inch meter.

For meter sizes eight-inch and smaller, if an existing customer desires to redevelop and replace an existing meter with a single or multiple meters, the value of the connection fee associated with the existing meter shall be determined based on the fee schedule above and credited for use on the property. For customers with meters larger than eight inches, the property will be credited the value of a eight-inch meter connection fee unless documentation of payment of a greater connection fee is provided, in which case the connection fee credited shall be the actual amount paid. Once a connection fee has been credited to a property, the amount of the credit is fixed and available for use on the property. Refunds shall not be made for any unutilized amount.

Notes:

1. For single-family dwellings served by a private water supply at the time a newly constructed utility line is completed, a 56 percent discount in the list connection charges shall be offered, subject to the conditions of section 82-110.
2. Developer-installed charge shall be assessed for each single-family residential unit, as defined in section 82-31, included in the development connecting to a line installed by the developer at the time an application for utility service is first filed by the developer or any subsequent owner of the lot or premises within the development. Commercial or industrial uses included in any development shall be assessed at the charges listed in the schedule. Developer-installed connection charges shall be subject to the credits provided for in section 82-73.
3. If the service connection has not been installed during the initial construction, the lot owner would be responsible for the installation fee costs as well as the availability connection fee listed. ~~Actual installation is the responsibility of the department to either perform the work or subcontract the work.~~
4. ~~Connection charges shall not be assessed to any water connection within the Jefferson Park/Middle Road water service district.~~

Sec. 82-262. - Water user charge schedule.
